Case barcode	26003643002309
Unit size	750 ml
Bottles per case	6

TECHNICAL ANALYSIS

Alc. 12.75 % | RS 2.5 g/l | TA 5.6 g/l | pH 3.31

VINIFICATION & HARVEST

All grapes used in the Printer's Devil Gremlin originate from only the best terroir selected to produce a world class wine. The Semillon grapes were harvested from a block that was planted in 1905 yielding under 3 tons/ ha.

WINE MAKING

The Sauvignon Blanc was fermented in stainless steel tanks while the Semillon was fermented and aged for 12 months in a Concrete Egg tank.

WINEMAKER'S NOTE

Mineral freshness with a touch of green grass and a tropical flavour are evident on the nose. Fresh and elegant Semillon richness waiting to burst through. The Semillon adds a very nice creaminess to the wine on the finish.

CELLARING

Ready for your enjoyment, the wine has great ageing potential for up to at least 2025.

SERVING TEMPERATURE

12 - 14°C

FOOD SUGGESTIONS

Red Thai chicken curry, roast gammon, smoked salmon, shellfish, and Asian cuisine. A very versatile varietal which can be paired with many dishes.
