### HARVEST

All grapes used in the Rickety Bridge Sauvignon Blanc originate from only the best terroir selected to produce a world class wine, reflective of the Rickety Bridge philosophy. The grapes were hand harvested early February till middle February at a sugar concentration ranging between 20.5°B & 22°Balling. Ripening conditions were cool, so we had a longer hanging time on the vine which lead to more concentrated fruit flavours. The grapes were sourced from three premium vineyards in Franschoek, Cape Agulhas & Botriver.

### WINE MAKING

Fermentation took place in a stainless-steel tank at 15°C using only the best commercial yeast strains. The wine was left on its primary lees for six months being stirred once a week to enhance flavour and mouth-feel.

### WINEMAKER'S NOTE

Vibrant and zesty with aromas of blackcurrant, gooseberry and passion fruit layered with subtle mineral tones. Full flavoured with a rich mid-palate, peach and litchi flavours which linger on the finish.

### CELLARING

Ready for your enjoyment until 2023.

### SERVING TEMPERATURE

8 - 12°C

### FOOD SUGGESTIONS

Seafood dishes, sushi, fresh leafy and herb salads.
